The following Annual Report is being provided by the City of San Diego (the "City") for the above stated issuances (the "Bonds"), pursuant to the Continuing Disclosure Certificate requirements and in compliance with Securities and Exchange Commission Rule 15c2-12 for the fiscal year ending June 30, 2006 (the "Annual Report").

The Annual Report, including any amendment or supplement hereto, will be electronically transmitted to the CENTRAL POST OFFICE by the Dissemination Agent for retransmission by the CENTRAL POST OFFICE to each of the Nationally Recognized Municipal Securities Information Repositories (the "NRMSIRs"), approved by the Securities and Exchange Commission, set forth in Exhibit A.

The Annual Report is provided in accordance with the terms of the Continuing Disclosure Agreement and Continuing Disclosure Certificate, and does not purport to provide full and complete information on the terms of the Bonds. The filing of the Annual Report does not constitute or imply any representation that no changes, circumstances or events have occurred since the end of the fiscal year to which the Annual Report relates (other than as contained in the Annual Report), or that no other information exists which may have a bearing on the security for the Bonds, or an investor's decision to buy, sell or hold the Bonds. Certain information and data provided herein was obtained from sources other than the City (the "Outside Information"), as indicated by the source citations. Although the information contained in the Annual Report has been obtained from sources which are believed to be reliable, the City has not independently verified such Outside Information, and the City cannot guarantee its completeness or accuracy. No statements in this Annual Report should be construed as a prediction or representation about future financial performance of the City or Community Facilities District No. 2 (Santaluz).

The Community Facilities District Funds are considered part of the City's reporting entity and can be found in the supplementary information section, under the headings Nonmajor Governmental Funds - Debt Service (Other Special Assessments), and Nonmajor Governmental Funds - Capital Projects (Other Construction), of the City of San Diego's Comprehensive Annual Financial Report ("CAFR"). The City received, from the auditor for its fiscal year 2003 financial statements, an unqualified audit opinion dated March 12, 2007. Those financial statements, once reviewed and accepted by the City Council of the City of San Diego, will be filed with the Central Post Office for transmission to the NRMSIRs. This Annual Report does not include the audited financial statements of the City for the fiscal years ended June 30, 2004 through June 30, 2006, because those audits are not yet complete. In addition, the City has determined that it would not be prudent to file unaudited financials for fiscal years 2004-2006 at this time.

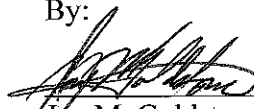

The City is acting as the Dissemination Agent for each of the above stated issuances. The City does not have any obligation to update this report other than as expressly provided in the Continuing Disclosure Agreement and the Continuing Disclosure Certificate for each of the above stated issuances.

Any statements regarding the above stated issuances, other than a statement made by the City in an official release or subsequent notice or annual report, published in a financial newspaper of general circulation and/or filed with the Municipal Securities Rulemaking Board or the NRMSIRs, are not authorized by the City. The City shall not be responsible for the accuracy, completeness or fairness of any such unauthorized statement.
